## at the German Embassy Hanoi

Saturday, 1st April, from 11:00am until 05:00pm

German Embassy, 29 Tran Phu, Hanoi

Live Music and DJ, homemade German cakes, Draft Beer and German Barbecue, Raffle, Children performance

The "Schocker Club" Hanoi would like to invite you to a fund raising event at the German Embassy. Through our passion to play a dice game, we were able to raise a significant amount of money which we decided to donate for a good cause here in Vietnam. Inspired from the motto "Every Child deserves an opportunity" of Youth with a Mission Mercy Vietnam -YWAM-, we visited one of their supported community based children Homes in Phu Chau in the Ba Vi district. We could see the needs of these children to have better and safer living conditions and decided to support their dreams of a better home. In co-operation with the local community, construction companies and YWAM, we have the ambitious goal to install a new electrical system, develop new sanitary facilities and refurbish the walls, floors and ceilings of the children home. Unfortunately our raised financial funds will not cover all the expenses for this ambitious project. Therefore we would like to invite you to spend the afternoon with us and the children from the Children home in Phu Chau and enjoy the sound of Live music and a DJ, children performances and typical German food and drinks in our nice Embassy garden. There will be also a raffle with sponsored prizes. Meet the children from the children home and the staff from our project partner YWAM and inform yourself about the children homes in Ba Vi. The entry fee of 200.000 VND per person and the profit of selling the food and the drinks will be directly donated to the project. Additional donations towards the project would be also most welcome and needed. The entry tickets can be purchased in advance at following location or at the entry gate on the day: The Kneipe, 52 to Ngoc Van Str., Tay Ho Dist, Hanoi

YWAM office, 19 Lane 68/53, Cau Giay Road, Cau Giay

We are looking forward to welcome you at our event.

### Welcome note

Dear guests, dear children, Welcome to our Charity event at the German Embassy in Hanoi. It is with great pleasure that I accepted the patronage of this event. Both, social commitment, especially towards children, but also compassion are important pillars of our community life as many people in distress are nowadays being left alone. To help those that are in need and to give them a positive perspective of their lives should be a natural motivation for everyone. That is also the reason why the commitment of the organizers is absolutely exemplary and praiseworthy and it deserves our support. I therefore keep my fingers crossed that this charity event will be enjoyable and successful.

The "Schocker-Club" Hanoi would like to introduce itself:

"Schocken" or also "Knobeln" is a very famous game of dice played mainly in the region of Westphalia and Rhineland, by at least 2 until up to twenty players. For about 2 years now we have been playing regularly in "The Kneipe" as an international team from Vietnam, Australia, United States, Columbia, Netherlands and last but not least Germany. Little by little the idea came up to play for money but for a good cause! A significant amount has already been collected by donations and penalties.
